Additional Information

This application is for sponsorship to assist with tuition for Artstrek. The student must still register and be accepted into the Artstrek program.

Successful applicants must notify us when they have been accepted into the Artstrek program and that they would like to accept the sponsorship.

Here is a brief description of the Artstrek program:

Artstrek is a provincial summer theatre school for Albertan teens held each July at Red Deer College's Arts Centre. An instructional team led by a curriculum director is contracted annually to instruct in the areas of acting, text analysis, voice, movement, directing, design and creation. Each year a different play is selected to explore.

Artstrek is Unique Because:

- It is focused on the exploration of theatre and the components of theatre production rather than on producing the show itself (i.e. process not product).
- It stresses and models the collaborative nature of theatre in its structure. A team of drama educators and theatre professionals develops and teaches the curriculum.
- It is not a talent-based program. Artstrek seeks participants who are enthusiastic about and committed to theatre, and who will be focused on learning and exploring with their instructors and fellow participants.

Artstrek Sponsorship Application

- Each participant is required to provide a reference letter from a teacher or director who is familiar with their work and/or their interest in the performing arts.

Artstrek's mission is to provide a top quality summer theatre school and unique training opportunity for any Albertan teen. Specific program goals are:

- to deliver a team-planned curriculum based on, and inspired by, a great and worthy text from the world canon of plays, that has relevance and meaning for teens.
- to develop participants' theatre skills and understanding of the process of theatre by providing professional instruction in a safe community environment.
- to develop participants' life competency skills including problem solving, leadership, negotiation, awareness, self-esteem, respect for others, and evaluation of choices by role modelling and establishing clear expectations.

Most importantly, Artstrek is a place where Alberta's youth are encouraged to express themselves confidently and eloquently, empowered to build whatever future they envision.

Students arrive Sunday afternoon and depart Friday evening or Saturday morning. Classes run from 8:30am to 5:00pm Monday to Friday with fun evening activities.

Explorations I, II, III are different levels of study for different ages.

Exploration I Ages 12 - 14

Exploration II Ages 14 - 16

Exploration III Ages 16 - 18
